

CASAblanca 2011

Friday, March 11, 2011, 7:00 p.m.

Jefferson Civic Center

The **sixth annual CASAblanca** features gaming-style entertainment, with food and drink, in a fun, community-focused environment, all to benefit children in foster care.

Piedmont CASA recruits, trains and supervises volunteers who advocate for foster children in Barrow, Jackson and Banks Counties. Volunteers provide critical information to Judges overseeing juvenile cases, and provide a helping hand to foster children in their foster homes, at school, and in all areas of their lives.

In 2010, **CASA served 69% of the children in foster care**; we want to serve them all.

We need your support: help us by committing to sponsor our event at one of the following levels:
